Your letter of 19 June 1958 (Reference: C58-948) concerning a proposed "Mobility Manual Study" has been referred to me for reply. This Agency has no responsibility in this particular field, and therefore is not able to extend support for your project. I am, however, taking the liberty of forwarding your proposal to another government agency\* which may have more direct interest. Please feel free to contact us on similar matters at any time.

Sincerely,
